FOR: National Urban Search & Rescue Response System
Task Force Representatives

FROM: Wanda Casey, Section Chief
Program Management Section
Urban Search and Rescue Branch

SUBJECT: US&R General Memorandum 2013-007b – (Revised) Internal US&R System
Activity Calendar – January – December 2013

This revision provides an updated US&R System Activity Calendar (Calendar Year 2013 – v.11).

The purpose of this General Memorandum is to provide a current copy of the US&R System Activity Calendar, covering calendar year 2013. This calendar includes events scheduled by the US&R Branch, in coordination with the US&R Strategic Group.

Because of the vast number of equivalency courses and other events acknowledged by the US&R Branch, this is not meant to be an all-inclusive calendar. Please refer to the Homeland Security Information Network (HSIN) for a comprehensive calendar of all known training events.

Updated versions of this US&R Branch Activity Calendar will be issued periodically when necessary. If you require access to HSIN to view the calendars, please contact your Task Force Representative to request permission.
