Each Canine Evaluation must have a total of 7 evaluators. Per the rotation above, 4 evaluators are automatically assigned to each scheduled evaluation.

Task Force Instructions: The host TF must fill the remaining 3 evaluator positions, including the designation of the Chief Evaluator, who may or may not be a part of the group assigned by rotation. Each final group of 7 evaluators must include 1 Chief Evaluator and 2 Lead Evaluators. When the Chief is designated, that person assumes the responsibility of all evaluators attendance for the event, including the TF selections. Refusals and new additions will fall into the alternate pool. The rotation groups will be revised annually.

Program Staff Instructions: Ensure all positions are filled and a Chief is identified.
